

How many people will lose the health coverage they have right now?

The American public demands and deserves to know.

Madam Speaker, this is not regular order and this is not why I came to Congress. When Democrats introduced the Affordable Care Act, whether you supported it or not, we held 79 hearings over 2 years, heard from 181 witnesses from both sides of the aisle, and posted the bill online 30 days before markup.

The Republicans have done none of these things. That is hypocritical and shameful. We will resist this dangerous repeal proposal, Madam Speaker.

TRUMP HOTEL

The SPEAKER pro tempore. The Chair recognizes the gentleman from Georgia (Mr. JOHNSON) for 5 minutes.

Mr. JOHNSON of Georgia. Madam Speaker, I rise today to discuss another glaring and scandalous drama involving President Trump's conflict of interest that has been lost in the shuffle of the President's nightly tweets and the daily Russian revelations. I would like to talk about the Old Post Office Building down the street on Pennsylvania Avenue.

The General Services Administration solicited proposals for redevelopment of the Old Post Office Building in 2011, selected The Trump Organization in 2012, and signed a 60-year lease in 2013 to redevelop the building.

For the first time in U.S. history, a sitting President now operates and profits from a private business in a taxpayer-owned Federal building. The Old Post Office Building lease agreement explicitly prohibits any elected official of the U.S. Government from serving as a lessee or from profiting under the lease.

Before the President took office, career officials at GSA confirmed that the prohibition on elected officials benefiting from the lease is a categorical ban on any elected official, including the President, being a party to or benefiting from the lease. The prohibition not allowing elected officials to benefit from GSA leases exists because of the outsized influence elected officials, especially the President, have over the funding and management of GSA.

President Trump has violated the very terms of the lease agreement that his company entered into with the United States Government for the Trump International Hotel the very moment that he took the oath of office to become President of the United States of America.

Soon, President Trump will appoint the administrator who serves at the pleasure of the President. That same administrator will be responsible for administering and managing the lease where the guy who signs his paycheck is the guy who benefits from the lease. That, ladies and gentlemen, is a classic conflict of interest.

To try to hide this conflict, President Trump has announced a so-called di-

vestment plan that has two of his adult children responsible for negotiating with the GSA on behalf of daddy. If you think daddy's kids won't make sure that daddy is happy with the administrator and if you think that the administrator won't make sure that the kids are happy with him, then you would be the one who would buy some ocean-front property in Chicago. Essentially, the President controls the man exercising judgment on his lease.

The Transportation and Infrastructure Committee has repeatedly written to the GSA trying to get more information about this glaring problem, but we have not received a substantial response. On March 7, 2017, Ranking Member PETER DEFazio and I wrote to the GSA Inspector General requesting that they examine administration and management of the Old Post Office Building lease.

□ 1030

Congress needs an independent investigation to determine how and when GSA plans to resolve this breach of the lease and eliminate this conflict of interest, how GSA is shielding the career officials working through this conflict, and whether GSA is receiving fair market value for any amendments to the lease. This lease has already been amended five times, without any congressional oversight.

There is also the elephant in the room as to whether this Trump hotel business is violating the U.S. Constitution. It is unclear whether payments by foreign governments to the Trump International Hotel provide evidence of a violation of the Emoluments Clause of the Constitution. There are also serious allegations of whether foreign diplomats are steering business toward the Trump International Hotel. Could it be that Putin has already made arrangements to rent the presidential penthouse suite in the Trump Hotel for \$10 million a year for the next 4 years? Or perhaps he has paid \$100 million for an option to lease the Grand Ballroom at the Trump Hotel over the next 4 years. The American people need and deserve answers to these very important questions.

President Trump and GSA need to come clean and address these conflict of interest issues in a transparent fashion that protects the interests of the American taxpayers.

COACH STEVE CHAPMAN

The SPEAKER pro tempore. The Chair recognizes the gentleman from Texas (Mr. FARENTHOLD) for 5 minutes.

Mr. FARENTHOLD. Madam Speaker, today I am here to congratulate Calallen High School baseball coach Steve Chapman on his recent induction into the Texas High School Baseball Coaches Hall of Fame.

Coach Chapman was born and raised in Hallettsville, Texas. After graduating from Hallettsville High School, he attended Blinn College and the Uni-

versity of Mary Hardin-Baylor, where he received a degree in education. After graduation, he began his coaching career at Victoria Stroman High School as an assistant coach. In 1983, he became head baseball coach at Calallen High School.

In Coach Chapman's 33 years at Calallen, his Wildcats have won or shared 25 district championships and have been to the Region 4 finals 19 times. The Wildcats have reached the UIL State tournament on 12 occasions, played in the State championship game 8 times, and have won 3 State championships. Coach Chapman's overall record is 967 wins, 204 losses, and 2 ties.

Coach Chapman's induction into the Hall of Fame is a testament to his hard work and the thousands of lives he has touched while coaching the Wildcats, including my long-time legislative director, Blake Adami. I offer my congratulations to Coach Chapman, his family, and everyone at Calallen.

REPLACING THE ACA

The SPEAKER pro tempore. The Chair recognizes the gentleman from Washington (Mr. HECK) for 5 minutes.

Mr. HECK. Madam Speaker, today I would like to share a letter I received from Sherry, who lives back in my hometown of Olympia, Washington.

Sherry writes to me:

My husband was a veteran. He worked as a civilian with high security clearance at White Sands Missile Range and later as a paramedic and firefighter. When I met him, I was working as a paramedic, also. We were crazy in love. But I lost him to cancer in 2009, at the age of 56.

Since the day my husband died, we lost his income. I had to figure out how to raise our son, who was then 6. I sold my business on the Oregon coast, lost my house in Newport, and moved to Washington to be with my sister. I found Olympia a year later and have been here since. I have qualified for food stamps for the last 8 years. We have depended on the food bank on and off.

When all this happened, that was before ObamaCare, and the \$1,000 monthly premium for insurance for my family was simply not sustainable. At first, I was able to keep my insurance through COBRA. But after that ran out, we were left to paying for some cut-rate insurance that provided very little coverage.

When the Affordable Care Act was enacted, I finally felt relief. I got covered through the ACA, and that allowed me to direct some of the money I was paying to insurance toward food, books, clothing, or tuition. My son is now 13, and 6 foot 1, with a size 14 shoe, so we go through clothes and shoes for him like crazy.

I still struggle. I still have medical bills and collections. I still struggle with food and clothes for both myself and my son. I still go to the Thurston County Food Bank in downtown Olympia. But ObamaCare allows me to follow my health closely and helps me pay for the medical care my son and I require.

I have a spot on my lung that needs constant monitoring, and ObamaCare has allowed me to go in for those routine MRIs. Preventative services like mammograms are also paid for.

Since my husband died, I have been focused on raising my son and getting a higher education degree. I went to massage school, and
